FY2025 Wichita Metropolitan Area Solicitation

Questions and Answers

1. Is MRT Facilitation also included in this solicitation under “treatment?”

Yes, Manualized Group (Project Code 2022) is included under Cognitive Behavioral Treatment for the 1083-25-DGSA Wichita Metropolitan Area Solicitation. Vendors are not required to have staff trained in MRT prior to award of the Blanket Purchase Agreement. The lowest priced, technically acceptable vendor will have an opportunity to become certified to facilitate the MRT program post award (at the vendors cost); however, the offerors proposal must ensure the following:

1. Identified staff will successfully complete the MRT Facilitator Training through Correctional Counseling, Inc. (CCI) by December 13, 2024. The completion of such training shall be documented and provided to the Contracting Officer no later than December 20, 2024.
2. MRT groups shall commence no later than January 10, 2025.
3. The vendor shall provide each participant with a participant workbook, How To Escape Your Prison. The cost of the workbook shall be incorporated into the unit cost. The applicable course materials shall be provided by the vendor and included in the price for this service.
